#### About the Author

**Tammara Webber**, *New York Times* bestselling author of *Easy*, is a hopeful romantic who adores novels with happy endings, because there are enough sad endings in real life. Before writing full time, she was an undergraduate academic advisor, economics tutor, planetarium office manager, radiology call center representative, and the palest person to ever work at a tanning salon. She married her high school sweetheart, and is Mom to three adult kids and four very immature cats.
