Living with his stern grandfather taught Trevor Callahan one important lesson: Caring makes a man weak. Now the old man is dead and Trev returns to Stone Creek for one reason and one reason only--to sell the Rocking C Ranch. Maybe then he can put his past behind him and move on.

Beth Evans once confused lust for love and vows never to let it happen again. The bookmobile driver is trying to raise funds to build a new library. The late Hank Callahan bequeathed a million dollars for the project, but he attached one stipulation: Do not let his grandson sell the ranch.

### **EXCERPT:**

He leaned across the desk. "You know, we haven't discussed the kiss the other night."

She scooted the chair back. "There's nothing to discuss."

He stood and slowly came around the desk, reached for her hand and pulled her to her feet. "I want to kiss you again."

"That's probably not a good idea." Oh, lord. She was playing with fire and if she wasn't careful, she was going to get burned. Bad.

"Probably not. I know you said we'd never kiss again. But don't you want to kiss me? Can't you feel the pull between us?"

"Yes . . . No!" She jerked her hand free and started backing away.

He followed, closing in on her until she bumped against the library table. "Just one kiss, Beth. One kiss can't hurt."

Before she could react, before she could reply, Trevor wrapped his arms around her, covered her mouth with his and God help her, she was a goner.

### Editorial Review

#### Review

"I loved reading a western romance that wasn't historical. Seeing contemporary cowboys and how they live today was a wonderful story. Get a tall glass of lemonade since this book is hot!" Robyn --Once Upon A Romance

"I enjoyed this novel and the characters immensely. I especially like Maggie's character. The little girl is so vivacious and full of life that it adds sparkle and joy to the story." Jasmine --Long and Short Romance Reviews

"Ms. Novark is an ultimate romance writer. The sexual tension between the hero and heroine begins the moment they lay eyes on one another . . . emotions so vivid, you'll feel as though you're in the room with them." Ginger --Examiner.com

#### From the Author

*When people think of Texas, they usually think about cowboys, ranches and horses. But Texas is more than that. It's not just a place; it's an attitude, a state of mind.*

*My favorite kind of hero is Tall, Dark and Texan. Whether a rugged sexy cowboy or a single-dad teaching at the local high school, these heroes are strong men waiting for strong women to call their own--no matter how hard they fight it; no matter how loudly they deny it. I hope you enjoy reading about my Lone Star Heroes and the women they fall in love with.*

***Remember: Life's too short NOT to love a Texan!!!***
