### **Key Moments in Church History: A Concise Introduction to the Catholic Church (The Come & See Series) By Mitch Finley**

Spanning from the birth of Christianity through the Crusades and the Protestant Reformation to John XXIII and the Second Vatican Council, Key Moments in Church History is a brief and accessible guide to the origins and evolution of the Catholic Church. In this insightful and informative look at eleven of the most significant periods in church history, Finley not only helps readers understand the context and characters of the past, but sheds light on the current and future Church. The result is a hopeful and inspirational reading experience that is ideal for personal reflection or group use.

### **Editorial Review**

#### **Review**

In his third edition of *Key Moments in Church History*, Mitch Finley enlivens a topic which, in a less talented writer's hands, could have been deadly dull. Instead, in his usual down-to-earth narration and flowing style, Mitch presents events seemingly far removed from us—the Council of Trent, the Crusades, even the Reformation—as precious parts of our own past, events that brought the entire Catholic Church to where it now stands, for better or worse. The thought occurs more than once—what is happening today that may become a Key Moment for our descendants? Excellent and well-documented, worthy of being a must-read in any Catholic high school class, and beyond. (Joan Wester Anderson, Author of the New York Times bestseller, *Where Angels Walk*)

At last—a clear, concise history of the Church written for those who are not scholars and know relatively little about the Church's past or even that it had one! (Rev. Andrew Greeley, S.J., Best-selling author, Professor of Sociology at the University of Arizona, and Research Associate with the National Opinion Resea)

#### **About the Author**

Mitch Finley earned a B.A. in Religious Studies from Santa Clara University and an M.A. in Theology from Marquette University. He is the author of more than 30 books.

### **Users Review**

#### **From reader reviews:**

##### **Samuel Lester:**

What do you think of book? It is just for students since they're still students or it for all people in the world, what the best subject for that? Just simply you can be answered for that concern above. Every person has distinct personality and hobby for each other. Don't to be pushed someone or something that they don't desire do that. You must know how great in addition to important the book *Key Moments in Church History: A Concise Introduction to the Catholic Church (The Come & See Series)*. All type of book can you see on many options. You can look for the internet sources or other social media.

##### **Laura Burke:**

Information is provisions for those to get better life, information nowadays can get by anyone at everywhere. The information can be a know-how or any news even restricted. What people must be consider whenever those information which is within the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take *Key Moments in Church History: A Concise Introduction to the Catholic Church (The Come & See Series)* as your daily resource information.

**Robert Thomas:**
