MedStudy Pediatrics Board Review Core Curriculum By *MedStudy*

This is the best published review book set for preparing for the pediatric board exam! This is produced by the MedStudy group and is a review/prep course for the pediatric boards (a separate set addresses the internal medicine board). While the format of the book condenses a large amount of peds information into a concise text, there are also pre-highlighted topics to focus your studying. There are also numerous tables to help better organize information. This five-volume set is sold with a shelf-organizer.
