## Shameless By Lex Martin

Brady...

What the hell do I know about raising a baby? Nothing. Not a goddamn thing.

Yet here I am, the sole guardian of my niece. I'd be lost if it weren't for Katherine, the beautiful girl who seems to have all the answers. Katherine, who's slowly finding her way into my cynical heart.

I keep reminding myself that I can't fall for someone when we don't have a future. But telling myself this lie and believing it are two different things.

Katherine...

When Brady shows up on a Harley, looking like an avenging angel? six feet, three inches of chiseled muscle, eyes the color of wild sage, and sun-kissed skin emblazoned with tattoos? I'm not sure if I should fall at his feet or run like hell. Because if I tell him what happened the night his family died, he might hate me.

What I don't count on are the nights we spend together, trying to forget the heartache that brought us here. I promise him it won't mean anything, that I won't fall in love.

I shouldn't make promises I can't keep.

Review

#### Praise For Dearest Clementine

My FAVORITE NA book of the year, hands down. - *New York Times & USA Today* bestselling author Shelly Crane

#### About the Author

Lex Martin writes contemporary romance novels, the sexy kind with lotsa angst, a whole lotta kissing, and the hot happily ever afters. When she's not writing, she lives a parallel life as an English teacher. She loves printing black and white photos, listening to music on vinyl, and getting lost in a great book. Bitten by wanderlust, she's lived all over the country but currently resides in the City of Angels with her husband and twin daughters.
