### Editorial Review

#### Amazon.com Review

Anita Blake, vampire hunter, is now herself a hunted woman. Who put the \$500,000 price on her head--a man or a monster? It's not just her own skin she needs to save; the rivalry between her werewolf boyfriend, Richard, and Marcus, the other alpha werewolf in his pack, has come to full boil. And there's always Jean-Claude, the vampire who's been waiting for just the right moment to slip inside Anita's head and heart. Don't assume anything, though--Hamilton's probably got a few more surprises in store.

#### Review

'Death and gore galore ... Hamilton writes with ease and vigour...Great fun' SHIVERS 'I was enthralled - a departure from the usual type of vampire tale which will have a wide appeal to any reader hunting for both chills and fun' Andre Norton 'This fast-paced, tough-edged supernatural thriller is mesmerizing reading indeed' LOCUS 'Supernatural bad guys beware, night-prowling Anita Blake is savvy, sassy and tough' P N Elrod, author of THE VAMPIRE FILES

#### From the Back Cover

The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Eventually, I found out that the word on the street was that Anita Blake, preternatural expert and vampire killer extraordinaire, was worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case, means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise.

But I'm beginning to wonder if two monsters are better than one...
