Thirteen Hours By Deon Meyer

Internationally acclaimed, prize-winning thriller writer Deon Meyer has been heralded as the “King of South African Crime.” In *Thirteen Hours*, morning dawns in Cape Town, and for homicide detective Benny Griessel it promises to be a very trying day. A teenage girl’s body has been found on the street, her throat cut. She was an American—a PR nightmare in the #1 tourist destination in South Africa. And she wasn’t alone. Somewhere in Cape Town her friend, Rachel Anderson, an innocent American, is hopefully still alive.

On the run from the first page of *Thirteen Hours*, Rachel is terrified, unsure where to turn in the unknown city. Detective Griessel races against the clock, trying to bring her home safe and solve the murder of her friend in a single day. Meanwhile, he gets pulled into a second case, the murder of a South African music executive. Griessel’s been sober for nearly six months—156 days. But day 157 is going to be tough. A #1 best seller in South Africa, winner of the 2011 Boeke Prize Fanatics Choice Award, and a finalist for the CWA International Dagger, *Thirteen Hours* is an atmospheric, intensely gripping novel

Editorial Review

From Publishers Weekly

In South African author Meyer's impressive second thriller to feature Cape Town Det. Insp. Benny Griessel (after Devil's Peak), which spans just 13 hours in a single day, Benny lands a pair of explosive cases: the gang slaying of an American tourist and the murder of the husband of a washed-up, alcoholic popular singer. After teenager Erin Russel turns up on the street with her throat cut, her traveling companion, Rachel Anderson, goes on the run. Rachel, who fears the police are connected to her friend's slaying, is trying to stay ahead of her pursuers without the help of the authorities. A few hours later, Benny interviews Alexandra Barnard about the death of her husband, Adam, a record company owner. Alexandra was found next to Adam's body and to the firearm used to kill him. While the windup doesn't match the pulse-pounding opening scenes, this crime novel does further enhance Meyer's reputation as a deft storyteller.

Starred Review College student Rachel Anderson is running in the mountains of Cape Town. Hours earlier, she witnessed the death of her traveling companion, Erin Russel, who had her throat slit from ear to ear, and Rachel is just steps ahead of the men who did the killing. Twice she has approached strangers asking for help, and twice she has been dismissed. Inspector Benny Griessel (last seen in Devil's Peak, 2009) has been called to the scene of Russel's murder, and when he finds out it is a white tourist who has been killed, he knows it's going to be a very long day. He craves a drink, but he has been sober for six months, ever since his wife kicked him out of the house. What's more, he is not really in charge of the murder scene; long considered to be a drunk and a dinosaur by the department, he is supposed to be mentoring the young black detective assigned to the case, and their delicate, overly polite dealings with each other are hampering the investigation. Best-selling South African novelist Meyer delivers another exciting if brutally violent crime novel. Expertly cutting away from the politicized police investigation to the plight of a terrified young girl literally running for her life, Meyer also steeps his novel in the day-to-day life of a country still reeling in the wake of radical transition. --Joanne Wilkinson

Review

“Try picking up **Thirteen Hours** and setting it down. Try. You can’t do it. I’m a pro, and I couldn’t do it.”
—Don Winslow, author of **The Power of the Dog** and **Satori**
