### Editorial Review

#### Amazon.com Review

Teenage girls often want sensitive answers to tricky questions about their skin, hair, makeup, and bodies. Well, Bobbi Brown's your woman! Beauty editor of the NBC *Today* show and coauthor with Annemarie Iverson of *Bobbi Brown Beauty*, Brown's hope is that teen girls will learn to recognize their own natural beauty and simply bring it out with makeup and healthy living. She specializes in the "makeunder," insisting that makeovers "tend to involve lots of makeup and a masking of who you really are." *Teenage Beauty* is "the ultimate beauty guide for young women. It takes the mystery out of all those confusing rituals so that you can figure out how to feel happier and more relaxed about your looks." Thirty chapters, packed with close-up photos of regular, everyday girls (as well as one or two celebrities!) include titles like "Zits!" "I Hate My \_\_\_\_," "The Perfect Makeup Kit," "Smelling Good/Smelling Bad," "Rock 'n' Roll Babes: Hip Beauty Style," and "Global Beauty." Brown devotes one chapter each to African American, Latin American, and Asian American teen beauty. A thoroughly positive, upbeat style aims to make every girl see and accentuate her own individual beauty. --*Emilie Coulter*

#### From School Library Journal

YA-Brown and Iverson give teens basic beauty tips and a large boost to their self-esteem. They set the tone with "makeunders," before-and-after color photos of young people in which a very limited amount of makeup has been applied to highlight their naturalness, and with advice that begins in bold, hot-pink letters: "YOU SHOULD STAND OUT, NOT YOUR MAKEUP." The advice is broken down into lists and bullets and accompanied by diagrams and photos. The authors stress the importance of diet and exercise. There are chapters for African Americans, Latin Americans, Asian Americans, and "Global Beauties." Later chapters give more recommendations for teens who are athletes and those hoping to be models. An index of resources provides ideas on where to buy beauty products, advice on going to a dermatologist, and general thoughts on weight loss. Brown's own line of beauty products are not mentioned in the body of the book, but merely listed as a Web site in the index. Sound, supportive, and conservative beauty advice that teens (and their parents) will love.
