Desire By Amanda Quick

From the windswept, craggy coast of a remote British Isle comes the thrilling tale of a daring lady and a dangerous knight... bound by the tempests of fate—and the dawning of... **Desire**

Upon her father's death, beautiful, headstrong Lady Clarre knew that she must wed, for the protection of the Isle of Desire now fell to her. Yet when her guardian's choice of prospective husband rode through her castle gates, she felt utterly betrayed. All sinewy muscle and savage steel, Sir Gareth of Wyckmere was not the poet she'd requested but a fearsome knight whose only interest was in war.

Legions of robbers had fallen beneath the Hellhound of Wyckmere's sword, and now this bold warrior was certain that he could tame one willful wife. Yet even Gareth could not deter Lady Clare from trying to mold him into her ideal... until their clash of wills ignited a passion that set them both aflame... and a treacherous plot put their lives in deadly peril.

Users Review

From reader reviews:

Linda Amos:

The book Desire can give more knowledge and information about everything you want. Exactly why must we leave a very important thing like a book Desire? Wide variety you have a different opinion about publication. But one aim that will book can give many facts for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or information that you take for that, you may give for each other; you could share all of these. Book Desire has simple shape but you know: it has great and large function for you. You can look the enormous world by start and read a guide. So it is very wonderful.

Kathy Hunnicutt:

In this 21st one hundred year, people become competitive in most way. By being competitive today, people have do something to make these survives, being in the middle of the actual crowded place and notice by simply surrounding. One thing that often many people have underestimated this for a while is reading. Yeah, by reading a book your ability to survive enhance then having chance to stand than other is high. For you who want to start reading any book, we give you that Desire book as beginning and daily reading e-book. Why, because this book is greater than just a book.

Robert Collado:

As people who live in the actual modest era should be update about what going on or information even knowledge to make them keep up with the era that is certainly always change and make progress. Some of you maybe will probably update themselves by reading books. It is a good choice in your case but the problems coming to a person is you don't know which one you should start with. This Desire is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Cora Blanchette:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your day time to upgrading your mind skill or thinking skill also analytical thinking? Then you are having problem with the book as compared to can satisfy your short time to read it because all this time you only find publication that need more time to be read. Desire can be your answer mainly because it can be read by an individual who have those short time problems.
