Flyfisher's Guide to Western Washington Lakes By Wes Malmberg

This new guide covers the fabled lakes of the Evergreen State like never before. Local legend, "Uncle Wes" Malmberg, guides anglers through the best and most consistent trout lakes, including depths, trolling routes, trolling tactics, fly fines, flies, and fish-holding areas on each water.

Malmberg knows these lakes like a trout knows a mayfly, and using his techniques, has consistently caught more and bigger fish than other anglers. This book will put more rainbow, brown, and cutthroat trout on your line.

Dozens of detailed maps show depths, access points, bay, and all other pertinent information. Also included are stocking records, directions to each fishery, and fish species descriptions.
