## I Am America (And So Can You!) By Stephen Colbert

Congratulations--just by looking at this webpage, you became 25% more patriotic.

From Stephen Colbert, the host of television's highest-rated punditry show *The Colbert Report*, comes the book to fill the other 23 1/2 hours of your day. *I Am America (And So Can You!)* contains all of the opinions that Stephen doesn't have time to shoehorn into his nightly broadcast.

Dictated directly into a microcassette recorder over a three-day weekend, this book contains Stephen's most deeply held knee-jerk beliefs on The American Family, Race, Religion, Sex, Sports, and many more topics, conveniently arranged in chapter form.

Always controversial and outspoken, Stephen addresses why Hollywood is destroying America by inches, why evolution is a fraud, and why the elderly should be harnessed to millstones.

You may not agree with everything Stephen says, but at the very least, you'll understand that your differing opinion is wrong.

*I Am America (And So Can You!)* showcases Stephen Colbert at his most eloquent and impassioned. He is an unrelenting fighter for the soul of America, and in this book he fights the good fight for the traditional values that have served this country so well for so long.

## Editorial Review

From Publishers Weekly

*Starred Review.* Realizing that it takes more than thirty minutes a night to fix everything that's destroying America, Colbert bravely takes on the forces aligned to destroy our country—whether they be terrorists, environmentalists, or Kashi brand breakfast cereals. His various targets include nature (I've never trusted the sea. What's it hiding under there?), the Hollywood Blacklist (I would have named enough names to fill the Moscow phone book), and atheists (Imagine going through life completely duped into thinking that there's no invisible, omniscient higher power guiding every action on Earth. It's just so arbitrary!). Colbert also provides helpful illustrations and charts (Things That Are Trying to Turn Me Gay) [and] a complete transcript of his infamous speech at the 2006 White House Correspondents' Dinner [...] all of which add up to a book that is sure to be a bestseller and match the success of Colbert's former *Daily Show* boss Jon Stewart's *America (The Book)*. (Oct.)

From [Booklist](#)

The funnyman host of Comedy Central's The Colbert Report rants about things that are wrong with America, offering his "knee jerk beliefs" on everything from the liberal media to environmentalists. If we continue to secularize Christmas, he screeches, former carolers will become wandering, alcoholic bums, and insects will grow into giant, munching minivans. He advocates legalizing performance-enhancing drugs for athletes, since sports are entertainment. Taking on a blowhard persona, he attacks atheists—how could a god exist who created a group that so pisses him off? Atheists are more hated than gays, to whom we at least entrust our hair. Interspersed with Colbert's shrill tirades are the voices of other characters, notably the more modulated tones of God, who claims to be fair since he does not intercede in the outcome of sports on which he bets. Patriotic drums, a mariachi band, and other music accompanies this hilarious audio. Colbert fans will approve. --Whitney Scott

Review

Stephen Colbert's I Am America (And So Can You), narrated by Colbert with Paul Dinello, Kevin Dorff, Greg Hollimon, Evie McGee, David Pasquesi, Allison Silverman, Brian Stack and Jon Stewart and published by Hachette Audio. (**Print This** )

I Am America (And So Can You!) is available both as a book and as a recording read by the author -- each serving as yin to the other's yang. Why try to imagine Colbert speaking the words on the page when, for a few dollars more, you can actually experience it? (**Audio File** )

## Users Review

From reader reviews:

**Mark Sawyers:**

The book I Am America (And So Can You!) give you a sense of feeling enjoy for your spare time. You need to use to make your capable more increase. Book can to get your best friend when you getting strain or having big problem using your subject. So now let us explain to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?

**Patricia Howard:**

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this I Am America (And So Can You!) can make you sense more interested to read.

**Floyd Eichner:**

What is your hobby? Have you heard that will question when you got pupils? We believe that that query was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. Therefore you know that little person like reading or as examining become their hobby. You must know that reading is very important and also book as to be the thing. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You see good news or update about something by book. Different categories of books that can you choose to adopt be your object. One of them are these claims I Am America (And So Can You!).
