Editorial Review

From the Back Cover

Good writing is a network of skills that can be taught, practiced, and mastered. These books present paragraph development and composition skills in clear, teachable steps. Each book offers students dependable strategies as well as opportunities to bring their own ideas and talent to the writing process.

Important features of the series:

- Presents important **organizational principles** of good academic writing, including topic sentences, maintaining unity and coherence, making and supporting a point, providing clear transitions, and writing clear introductory and concluding paragraphs.
- Shows students how to apply these organizational principles to **major rhetorical forms**: classification, cause and effect, comparison and contrast, problem and solution, writing a summary, personal expression, and essays for college applications.
- Offers extensive practice in every step of the **writing process**, including prewriting, drafting, revision, and editing.
- Provides **individual practice** on additional topics in *On Your Own* sections.
- Offers effective **error correction** and **editing practice** in *You Be the Editor* sections.

Ready to Write:

- Presents paragraph development and the fundamental compositions skills needed for successful academic work, with more model paragraphs and expanded emphasis on process writing.
- Updated content contextualizes writing in real-world tasks such as writing letters, reports, newspaper articles, and advertising copy.
