The Annotated Phantom Tollbooth By Norton Juster

The Phantom Tollbooth is a universally beloved childhood classic. In the 50 years since its original publication, millions of children have breathlessly followed Milo's adventures in the Lands Beyond.

Now Leonard Marcus, a nationally acclaimed writer on children's literature, has created a richly annotated edition of this perennial favorite. Marcus's expansive annotations include interviews with the author and illustrator, illuminating excerpts from Juster's notes and drafts, cultural and literary commentary, and Marcus's own insights on the book. *The Annotated Phantom Tollbooth* also includes an introduction that shares the fascinating background on the book's publication—Juster and Feiffer met as young neighbors in Brooklyn, New York, and thus began a fortuitous collaboration on a project that would become an instant classic—as well as its enduring place in the world of children's literature.

The Annotated Phantom Tollbooth is the perfect way to honor a classic and will be welcomed by young readers and fans of all ages.
