Even so, Amen - Revelation 1:7 The 911 attack on America started the slide towards global chaos over a decade ago. Now the growing wars in the Middle East, and rumors of war with Russia over Ukraine, and the never ending economic crisis which has created out of control federal deficits, and financial markets which are merely levitating on a bubble of printed money, assuring the US that a dollar crisis is waiting in the wings, as the real economy continues to sink into a global depression.
