The Lord baptizes with a fire of the Holy Spirit to test us, purify us, and ultimately to empower us. But as believers, we should not always fear these flames as a sign of His wrath. *The Fire of God* shows how to press through those scorching situations, which are allowed to burn so that we become conformed to a Christ-like image.

Best-selling author Joy Dawson unlocks the mysteries that surround the fire of God, unveiling its significance in the life of the believer. The truths exposed in this book will ignite your passion for an intense love relationship with the most awesome and, at times, mysterious Being in the Universe.
