A Knight in Shining Armor (The Montgomery/Taggert Family Book 15) By Jude Deveraux

Jude Deveraux's beloved bestseller has captivated readers the world over; now in a special edition featuring new material, this timeless love story greets a new generation.

Once upon a time...as a fair maiden lay weeping upon a cold tombstone, her heartfelt desire was suddenly made real before her: tall, broad of shoulder, attired in gleaming silver and gold, her knight in shining armor had come to rescue his damsel in distress....

Abandoned by her lover, thoroughly modern Dougless Montgomery finds herself alone and brokenhearted in an old English church. She never dreamed that a love more powerful than time awaited her there...until Nicholas Stafford, Earl of Thornwyck, a sixteenth-century knight, appeared. Drawn to him by a bond so sudden and compelling that it defied reason, Dougless knew that Nicholas was nothing less than a miracle: a man who would not seek to change her, who found her perfect just as she was. But she could not know how strong were the chains that tied them to the past—or the grand adventure that lay before them.

Editorial Review

From Publishers Weekly

In her hardcover debut, Deveraux (*The Taming*) offers an imaginative romantic historical fantasy, whose virtue of unpredictability is undermined by plodding, graceless prose. Vacationing in England with her lover, Robert, and his spoiled teenage daughter, heroine Dougless Montgomery is abandoned by them in a remote country churchyard near the tomb of Nicholas Stafford, an earl who died in 1564. Almost immediately, an armor-clad swashbuckler materializes--Nicholas himself, reincarnated in the 20th century to clear his reputation, having been unjustly convicted of treason. Intrigued by his plight, Dougless agrees to help Nicholas learn his accuser's identity and restore his good name. They become lovers, and their adventures briefly lead Dougless back to the 1560s, allowing Deveraux to portray that period from a contemporary woman's perspective, as well as 1988 through the eyes of a confounded Elizabethan nobleman. Well-detailed historical highlights and a heartwarming conclusion will enhance the novel's commercial appeal to those Deveraux fans willing to lay out the extra cash for froth bound in hardcover. Doubleday Book Club main selection; Literary Guild alternate.
