Azathoth Rising: A History of The Necronomicon By Joseph S Dale

Abdul Al-Hazred had almost finished. Just the final sentence, and his lineage. "Amen!" his pen swept out the wide, detailed Arabic characters, "I have completed it! Naught more can I do! The future is in thy hands, thou who shall read this writing!" And that was as far as he got! Thunder crashed across the sky! But it was as nothing to the roar of triumph that resounded and echoed inside his head! Sheer terror struck his heart. "Oh, my god and goddess!" he screamed, "Save me from the powers of the Old Ones, and the horrors of beyond!" But the voice roared with laughter, "THY GOD AND GODDESS WILL NOT HELP THEE NOW!" it bellowed, "I, AZATHOTH, THE CRAWLING CHAOS, HAVE WON! BE AWARE, MORTAL, AND DESPAIR! THE SPELLS AND CHANTS THAT THOU HAST SO CAREFULLY WRIT, FAR FROM BINDING, WILL RELEASE! THE OLD GODS WILL BE FREED! THOU HAST DOOMED THE WHOLE OF THY PITIFUL HUMAN RACE TO DESTRUCTION!" With a scream of despair, the Arab reached out to the pile of manuscript in a desperate attempt to destroy that which he had written. But it was far too late. Al-Hazred's heart failed him, and he collapsed to the earth floor. Thus was The Necronomicon, the most evil book in creation, completed, with the death of its author. It was due to destroy other lives in its existence ... Joseph S. Dale lives in Auckland, New Zealand. "I have always been interested in H.P. Lovecraft, whose Cthulhu Mythos I freely adapted for this story." Publisher's website: <http://sbpra.com/JosephSDale>

Editorial Review

Users Review

From reader reviews:

Lorraine Brown:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim or perhaps goal; it means that publication has different type. Some people sense enjoy to spend their the perfect time to read a book. They may be reading whatever they get because their hobby is definitely reading a book. How about the person who don't like looking at a book? Sometime, man or woman feel need book if they found difficult problem or perhaps exercise. Well, probably you should have this Azathoth Rising: A History of The Necronomicon.

David Wolverton:

The book Azathoth Rising: A History of The Necronomicon can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book Azathoth Rising: A History of The Necronomicon? Some of you have a different opinion about e-book. But one aim which book can give many details for us. It is absolutely right. Right now, try to closer with your book. Knowledge or facts that you take for that, you can give for each other; it is possible to share all of these. Book Azathoth Rising: A History of The Necronomicon has simple shape nevertheless, you know: it has great and massive function for you. You can search the enormous world by available and read a e-book. So it is very wonderful.

John Ashcraft:

Information is provisions for those to get better life, information presently can get by anyone on everywhere. The information can be a expertise or any news even a concern. What people must be consider while those information which is inside former life are challenging be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen with you if you take Azathoth Rising: A History of The Necronomicon as your daily resource information.

Jean Hogue:

Precisely why? Because this Azathoth Rising: A History of The Necronomicon is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will jolt you with the secret that inside. Reading this book alongside it was fantastic author who have write the book in such amazing way makes the content inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for

you for not hesitating having this any longer or you going to regret it. This book will give you a lot of rewards than the other book include such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.
