Even When You Lie to Me By Jessica Alcott

A steamy debut about a love off limits, and lines destined to be crossed—with the wit of John Green and the heart of Sarah Dessen.

Tom Drummond is the perfect guy. He reads the classics. He tells the wittiest jokes. Best of all, he actually likes Charlie. And for a girl used to being caught in the shadow of her best friend, Drummond's spotlight warms Charlie in a way she never thought possible. But as their relationship grows closer, there's one detail that remains impossible to forget: Mr. Drummond is her teacher.

“Jessica Alcott’s writing is like a very personal glimpse into your own adolescent diary. Raw, uncomfortable, but still often hilarious.” –Harried Reuter Hapgood, author of *The Square Root of Summer*

“The witty repartee among characters is reminiscent of the dialogue in John Green’s novels or a *Gilmore Girls* episode.” –*School Library Journal*

“Perfect for fans of Sarah Dessen.” –*Booklist*

Editorial Review

From School Library Journal

Gr 10 Up—Charlie is dreading her senior year. Introverted, not traditionally pretty, and a bit of a bookworm, she has her sights set on life after high school. In fact, Charlie has applied early decision to Oberlin College. Her ever-loyal best friend, Lila, has become popular overnight, throwing Charlie's social inadequacies into sharper contrast. Mr. Drummond, her new English teacher, is the only bright spot in her life. He's young, super-friendly, and seems to get her. When Charlie's Type-A mother insists that she participate in an extracurricular activity, the girl joins the school newspaper, newly revived by Mr. Drummond. Charlie develops an intense and all-consuming crush on him, fueled by their time working on the newspaper together and discussing books in and out of class. Mr. Drummond is friendly to everyone, but Charlie senses that there is something different about his feelings for her. Alcott pushes the boundaries in this exploration of a taboo student-teacher relationship. Charlie's sexual thoughts and desires are candidly and honestly depicted. Complex emotional content is handled tactfully and sensitively. Additionally, all of Alcott's characters are well developed, from Charlie's parents to the Indian American twins in her English class, who befriend her. All have distinct personalities and motivations, adding to the realistic atmosphere the author has created. The witty repartee among characters is reminiscent of the dialogue in John Green's novels or a *Gilmore Girls* episode—although slightly improbable at times, it never fails to entertain. VERDICT A cutting-edge exploration of a thorny topic, this is a wonderful debut novel.—Ragan O'Malley, Saint Ann's School, Brooklyn, NY

About the Author

Jessica Alcott lives with her husband and their two cats. She graduated from Bennington College and has worked at a children's publisher in the UK. *Even When You Lie to Me* is her first novel. You can visit Jessica online at jessicaalcott.com, on Twitter at @daisyhellcakes, and on Facebook.

Users Review

From reader reviews:

Eric Alaniz:

Information is provisions for folks to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even a concern. What people must be consider when those information which is in the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you get the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen within you if you take *Even When You Lie to Me* as your daily resource information.

Harold Walsh:

Reading a guide tends to be new life style within this era globalization. With examining you can get a lot of information that may give you benefit in your life. Using book everyone in this world can share their idea. Publications can also inspire a lot of people. A lot of author can inspire their very own reader with their story

or maybe their experience. Not only situation that share in the books. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their expertise in writing, they also doing some study before they write to their book. One of them is this Even When You Lie to Me.

Mary Benoit:

Playing with family in a park, coming to see the coastal world or hanging out with buddies is thing that usually you might have done when you have spare time, after that why you don't try factor that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Even When You Lie to Me, you may enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.

Jill Lee:

That book can make you to feel relax. This particular book Even When You Lie to Me was multi-colored and of course has pictures on the website. As we know that book Even When You Lie to Me has many kinds or genre. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore , not at all of book usually are make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you and try to like reading that will.
