Rowling Revisited: Return Trips to Harry, Fantastic Beasts, Quidditch, & Beedle the Bard By James W. Thomas

Dr. James W. Thomas is the author of *Repotting Harry Potter: A Professor's Guide for the Serious Re-Reader*. Readers of that book will find in *Rowling Revisited* additional insights as Professor Thomas revisits the seven Potter books. Once again, he focuses on humor, puns, foreshadowing, and literary parallels and echoes in Harry's saga, in addition to re-examining some of his previous conclusions. *Rowling Revisited* also provides readers with insight to and analysis of Rowling's three ancillary books, *Fantastic Beasts and Where to Find Them*, *Quidditch Through the Ages*, and *The Tales of Beedle the Bard*. Dr. Thomas takes readers through Rowling's wise and witty brief books, emphasizing the surprising rewards of rereading. He approaches Rowling's books about beasts and Hogwarts's favorite magical sport with the whimsy they warrant and gives readers an experienced literary analyst's view on Beedle's tales. Especially useful in *Rowling Revisited* are three extensive appendixes—"Fantastic Beasts and the Pages Where You'll Find Them," "Quidditch Through the Pages," and "The Books in the Potter Books." These listings include all significant references in the Harry Potter books to magical creatures, to Quidditch, and to Beedle the Bard and all the other books that magic folk read. In addition to making another rereading of the Potter books more rewarding, *Rowling Revisited* encourages readers to return to or to discover for the first time Rowling's delightful books on beasts and Quidditch, as well as Beedle's wonderful tales.

Editorial Review

Users Review

From reader reviews:

Martha Wilson:

Reading a book can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a publication will give you a lot of new details. When you read a book you will get new information due to the fact book is one of numerous ways to share the information or their idea. Second, reading a book will make a person more imaginative. When you looking at a book especially tale fantasy book the author will bring you to imagine the story how the characters do it anything. Third, you are able to share your knowledge to others. When you read this Rowling Revisited: Return Trips to Harry, Fantastic Beasts, Quidditch, & Beedle the Bard, it is possible to tells your family, friends and also soon about yours publication. Your knowledge can inspire average, make them reading a reserve.

Sheldon Downs:

Spent a free a chance to be fun activity to try and do! A lot of people spent their sparetime with their family, or all their friends. Usually they doing activity like watching television, going to beach, or picnic in the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? May be reading a book might be option to fill your free time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the reserve untitled Rowling Revisited: Return Trips to Harry, Fantastic Beasts, Quidditch, & Beedle the Bard can be very good book to read. May be it can be best activity to you.

Katherine Adkins:

Why? Because this Rowling Revisited: Return Trips to Harry, Fantastic Beasts, Quidditch, & Beedle the Bard is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will zap you with the secret the item inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of rewards than the other book have such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the guide store hurriedly.

Elizabeth McNeal:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is published or printed or outlined from each source which filled update of news. Within this modern era like today, many ways to get information are available for an individual. From media social like newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just in search of the Rowling Revisited: Return Trips to Harry, Fantastic Beasts, Quidditch, & Beedle the Bard when you essential it?
