Stevie Nicks: Visions Dreams & Rumours By Zoe Howe

While she once made headlines with her hedonistic lifestyle, part of Nicks' irresistible appeal is her youthful vulnerability and mystical aura, making her an artist with whom fans have an unbreakable emotional connection. Crowned 'The Reigning Queen Of Rock And Roll' by Rolling Stone, and with gold and quadruple platinum solo albums under her beaded belt, Stevie Nicks has enjoyed the ultimate in rock 'n' roll success in her life as a recording artist - but this charmed life has come as a result of hard graft, self-belief and a devotion to creativity above all; hers has been a journey of intense highs and lows. This book, a celebration of the Stevie Nicks phenomenon, takes us on her journey from peripatetic mid-West childhood to her explosion onto the music scene as chiffon-swathed rock goddess, right up to present day. Including exclusive interviews with some of Stevie's associates and collaborators from over the years, author Zoe Howe explores the mystique while retaining the magic of this modern-day musical sorceress and wise woman of rock. This revised edition will include information about the full line-up Fleetwood Mac tour dates ('On With The Show'), the 24 Karat Gold self-portrait collection exhibition Stevie curated in Hollywood to coincide with her 24 Karat Gold album. Her work with the LA band Haim, coping with the loss of her close friends Glenn Frey and Prince, being a Rolling Stone cover girl again and more.
