### The Drums of Autumn By Diana Gabaldon

The magnificent saga continues....

It began in Scotland, at an ancient stone circle. There, a doorway, open to a select few, leads into the past—or the grave. Claire Randall survived the extraordinary passage, not once but twice. Her first trip swept her into the arms of Jamie Fraser, an eighteenth-century Scot whose love for her became legend—a tale of tragic passion that ended with her return to the present to bear his child. Her second journey, two decades later, brought them together again in frontier America. But Claire had left someone behind in the twentieth century. Their daughter, Brianna....

Now Brianna has made a disturbing discovery that sends her to the stone circle and a terrifying leap into the unknown. In search of her mother and the father she has never met, she is risking her own future to try to change history...and to save their lives. But as Brianna plunges into an uncharted wilderness, a heartbreaking encounter may strand her forever in the past...or root her in the place she should be, where her heart and soul belong....

## **Editorial Review**

### **Amazon.com Review**

Set in pre-Revolutionary War America, readers finally have the much awaited fourth book in what will probably become a six book series (The Outlander series). The talented Diana Gabaldon continues Claire and Jamie's romantic love affair, and introduces Brianna and Roger's story. Eight hundred pages, and several wonderful new characters later, we wonder why we were waiting for a conclusion. It'll be a long wait for book five, so I recommend you go back and reread *Outlander*, *Dragonfly in Amber*, and *Voyager* to keep yourself sane.

### **From Publishers Weekly**

Gabaldon has few rivals in writing exciting?and hefty?historical romances. The fourth in a series of linked sagas (Outlander; Dragonfly in Amber; Voyager), her new epic has a delicious premise. Claire Randall, the post-WWII bride of historian Frank Randall, steps through a skew in the Scottish stone circle Craigh na Dun and lands in Revolutionary America and the arms of Highlander Jamie Fraser?putting a new spin on the notion of a two-timing woman. Bold and bawdy, but a believing Catholic, Claire struggles to live a rich and moral life?or, rather, rich and moral lives?under these extraordinary circumstances. Claire's adventures in 18th-century Charleston alternate with equally engaging chapters devoted to her 20th-century daughter, Brianna. Raised as Frank Randall's child, Bree discovers that Jamie Fraser is her real sire. She takes off on a harrowing, confrontational quest through time and space with her suitor, Roger Wakefield, in hot pursuit. Gabaldon's range is impressive, whether she's evoking the rawness of colonial America, the cozy clutter of a modern Scottish parsonage, the lusts of the body or the yearnings of the spirit. Her legion of fans will love diving into this ocean of romance. Major ad/promo; Literary Guild and Doubleday Book Club featured alternates; author tour.

### **From Library Journal**

Fourth in a series (e.g., Outlander, LJ 7/91), with at least two more titles planned, this novel continues Gabaldon's successful time travel/romance saga. Set mostly in the years 1767-1770 but with some scenes in the "present" (the late 1960s), this fantasy features 20th-century Englishwoman Claire and her 18th-century Scottish husband, Jamie, who struggle to set up a home in the wilds of the American South. Their grown daughter, Brianna, comes from the present to seek her parents and is followed by her would-be lover, Roger. In a work that will be eagerly sought by readers of her previous novels, Gabaldon continues to explore the themes of love, marriage, and family through time. Though reading the entire series would be best, first-time readers can generally follow with a minimum of confusion. Sites on the World Wide Web already have chapters and discussion areas for this book, so be prepared. Gabaldon truly delivers.

## **Users Review**

### **From reader reviews:**

#### **Yadira Singh:**

Reading a guide tends to be new life style with this era globalization. With reading you can get a lot of information which will give you benefit in your life. Using book everyone in this world may share their idea.

Publications can also inspire a lot of people. Lots of author can inspire all their reader with their story or perhaps their experience. Not only the storyplot that share in the books. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on earth always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this The Drums of Autumn.

#### **Eugene Barnum:**

Are you kind of occupied person, only have 10 or perhaps 15 minute in your time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your small amount of time to read it because this all time you only find reserve that need more time to be read. The Drums of Autumn can be your answer as it can be read by you actually who have those short time problems.

#### **Stephen Medley:**

What is your hobby? Have you heard which question when you got college students? We believe that that problem was given by teacher with their students. Many kinds of hobby, Every person has different hobby. So you know that little person just like reading or as looking at become their hobby. You must know that reading is very important as well as book as to be the matter. Book is important thing to provide you knowledge, except your own teacher or lecturer. You see good news or update concerning something by book. Amount types of books that can you take to be your object. One of them is actually The Drums of Autumn.

#### **Regina Nichols:**

Reading a book make you to get more knowledge as a result. You can take knowledge and information from the book. Book is created or printed or outlined from each source in which filled update of news. In this particular modern era like at this point, many ways to get information are available for anyone. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just looking for the The Drums of Autumn when you essential it?
