The Gray and Guilty Sea: A Garrison Gage Mystery By Jack Nolte, Scott William Carter

"Carter's writing is on target." - Publishers Weekly

A curmudgeon. An iconoclast. A loner. That's how people describe Garrison Gage, and that's when they're being charitable.

After his wife's brutal murder in New York, and Gage himself is beaten nearly to death, the crippled private investigator retreats three thousand miles to the quaint coastal town of Barnacle Bluffs, Oregon. He spends the next five years in a convalescent stupor, content to bide his time filling out crossword puzzles and trying to forget that his wife's death is his fault. But all that changes when he discovers the body of a young woman washed up on the beach, and his conscience draws him back into his old occupation - forcing him to confront the demons of his own guilt before he can hope to solve the girl's murder.

Editorial Review

Review

"It was a shrewd marketing move ... to entitle his first mystery novel *The Gray and Guilty Sea*. It makes it nearly irresistible for an old John D. MacDonald fan like me . . . Recommended." - **Brandywine Books**

"*The Gray and Guilty Sea* is quite an enjoyable novel that engages a reader on multiple levels." - **Stimulated Outlet Book Reviews**

"Outstanding debut crime novel set on the Oregon coast and starring a misanthropic former detective ... as much a fascinating character study as it is an original story." - **Michael J. Totten**, author of *Resurrection*

"Scott William Carter makes it look easy." - **Chizine.com**

"Outstanding debut crime novel set on the Oregon coast and starring a misanthropic former detective ... as much a fascinating character study as it is an original story." -- Michael J. Totten, author of *Taken*

Users Review

From reader reviews:

Dorothy Waddell:

The book The Gray and Guilty Sea: A Garrison Gage Mystery make you feel enjoy for your spare time. You need to use to make your capable a lot more increase. Book can for being your best friend when you getting

stress or having big problem together with your subject. If you can make examining a book The Gray and Guilty Sea: A Garrison Gage Mystery to be your habit, you can get more advantages, like add your capable, increase your knowledge about some or all subjects. You could know everything if you like available and read a guide The Gray and Guilty Sea: A Garrison Gage Mystery. Kinds of book are several. It means that, science book or encyclopedia or others. So , how do you think about this publication?

Gale Gibbs:

Book is to be different for each grade. Book for children right up until adult are different content. As we know that book is very important usually. The book The Gray and Guilty Sea: A Garrison Gage Mystery seemed to be making you to know about other information and of course you can take more information. It is extremely advantages for you. The publication The Gray and Guilty Sea: A Garrison Gage Mystery is not only giving you considerably more new information but also being your friend when you really feel bored. You can spend your spend time to read your book. Try to make relationship with the book The Gray and Guilty Sea: A Garrison Gage Mystery. You never feel lose out for everything when you read some books.

Nathan Hutchison:

This The Gray and Guilty Sea: A Garrison Gage Mystery is brand new way for you who has intense curiosity to look for some information given it relief your hunger details. Getting deeper you onto it getting knowledge more you know otherwise you who still having small amount of digest in reading this The Gray and Guilty Sea: A Garrison Gage Mystery can be the light food to suit your needs because the information inside this kind of book is easy to get through anyone. These books develop itself in the form and that is reachable by anyone, that's why I mean in the e-book form. People who think that in e-book form make them feel drowsy even dizzy this reserve is the answer. So there is not any in reading a guide especially this one. You can find what you are looking for. It should be here for a person. So , don't miss this! Just read this e-book sort for your better life in addition to knowledge.

Hazel Mercado:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Gray and Guilty Sea: A Garrison Gage Mystery can make you experience more interested to read.
