The Nature and Destiny of Man: A Christian Interpretation (2 Volume Set)

By Reinhold Niebuhr

The Nature and Destiny of Man issues a vigorous challenge to Western civilization to understand its roots in the faith of the Bible, particularly the Hebraic tradition. The growth, corruption, and purification of the important Western emphases on individuality are insightfully chronicled here. This book is arguably Reinhold Niebuhr's most important work. It offers a sustained articulation of Niebuhr's theological ethics and is considered a landmark in twentieth-century thought.

The Library of Theological Ethics series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts in easily accessible form. Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field.

Editorial Review

About the Author

Reinhold Niebuhr (1892 - 1971) was an ethicist, theologian, and political philosopher who taught at Union Theological Seminary in New York City from 1928 to 1960. Before that, for thirteen years, he was minister of Detroit's Bethel Evangelical Church.

Users Review
