A Tale of Two Vikings (Viking I) By Sandra Hill

“Sandra Hill writes stories that tickle the funnybone and touch the heart. Her books are always fresh, romantic, inventive, and hilarious.”

—Susan Wiggs, *New York Times* bestselling author

Nobody does Viking romance like Sandra Hill—and in *A Tale of Two Vikings*, the *USA Today* and *New York Times* bestselling author gives readers not one, but two studly Norsemen to fall in love with! Filled with the same laughter, passion, action, and fun Hill’s fans have come to know and adore, *A Tale of Two Vikings* is historical romance at its most delightfully inventive—as inseparable identical twin Viking brothers face an inevitable parting of the ways when one of them is confronted with a most unexpected adversary: the love of his life! Christine Feehan says that this author “always delivers,” and this time Sandra Hill doubles the pleasure!

Editorial Review

From Publishers Weekly

What do you get when you take two identical twin Vikings, pair them with some feisty ladies and throw in several large servings of absurdity and sex? The newest Viking romance from Hill (*The Very Virile Viking*, etc.). Although Hill is known for the fresh, funny, contemporary feel of her Viking romances, readers may overdose on the over-the-top antics she dishes up here. Exiled from their father's estate for their immature ways, Toste and Vagn Ivarsson have joined a band of warring Norsemen in Saxon lands. Just when they decide it's time to grow up and return to their country, a terrible battle finds them separated, each thinking the other dead. The lusty Vikings rebound quickly and soon find themselves chasing after the most unlikely women. Esme, Toste's shapely nurse/novice nun, heats his blood. Vagn, meanwhile, pursues hot-tempered Helga the Homely, the daughter of his Viking rescuer. Vagn lures her into bed many times over, despite her desire to be an independent woman, while Esme and Toste take turns tying each other up and having their way with each other. Each page is bawdier than the next, but Hill doesn't grant her characters much in the way of intelligence. Still, it's hard not to be happy for the "lackwit" Viking twins when they're finally reunited.

Starred Review Two Vikings, Toste and Vagn Ivarsson, twins so identical that only a tiny birthmark differentiates them, find themselves in a battle to the death on their way to pillage a convent. Each brother believes the other to be dead, but each has been saved by a very different angel of mercy. Toste is under the care of Esme, a novice who doesn't trust men. After all, her own father and brothers keep trying to kill her for her inheritance. Vagn finds himself at the mercy of "Helga the Homely," who suffered years of teasing because of the nickname Toste gave her, and she's not real fond of Vagn, either. Once again, Hill has come through with a Viking romance guaranteed to bring on the giggles. Two strong warriors are surprised at the combativeness of women in the war of the sexes, and *Sex and the City* goes Norse as Viking gals conduct down-and-dirty, and often hilarious, conversations about men. Throw in a five-legged pig, a very odd order of nuns, and a troubadour who sings bawdy songs, and you get quintessential Hill--outrageous, side-splitting, funny-bone-tickling entertainment. *Shelley Mosley*

From the Back Cover

Has an eye for the ladies, loves a good fight. Splits his sides over rude jokes. Won't ask directions no matter how lost he is . . . even in a longship, for the love of Odin! Sound like anyone you know? Maybe every man you know?

Toste and Vagn Ivarsson are all that and more—a lot more. Identical Viking twins, they came squalling into this world together, rode their first horses at the age of seven, their first maids during their thirteenth summer, and rode off on longships as untried fourteen-year-old warriors. And now, having seen only thirty and one winters, they are about to face Valhalla together. Or maybe something even more tragic: being separated. For even the most virile Viking must eventually leave his best buddy behind and do battle with that most fearsome of all opponents—the love of his life.

Users Review

From reader reviews:

Lindsey Putman:

What do you ponder on book? It is just for students because they are still students or the item for all people in the world, the actual best subject for that? Just simply you can be answered for that problem above. Every person has various personality and hobby for every single other. Don't to be pushed someone or something that they don't need do that.
