### Editorial Review

From the Back Cover

#### MAINTAIN SAFER AIRCRAFT -- AND A SOUNDER BOTTOM LINE

This unique resource helps managers develop and run efficient, reliable, and cost-effective airline maintenance programs. Former Boeing official and now Embry-Riddle Aeronautical University teacher Harry Kinnison's *Aviation Maintenance Management* shows you every step of planning a maintenance program and getting it up and running. More than that, it helps you:

- \* Save money by maintaining aircraft to a higher standard
- \* Minimize aircraft downtime while slashing maintenance and repair costs
- \* Apply systems concepts for improved integration and communication
- \* Upgrade technical and provisioning functions
- \* Improve efficiency in meeting regulatory requirements
- \* Identify and monitor maintenance program problems and trends
- \* Stay on top on quality assurance, quality control, reliability standards, and safety issues
- \* Fine-tune your approach to the human factors in maintenance

#### About the Author

**Harry A. Kinnison, Ph.D.**, worked for the Boeing Company for 20 years, 10 as a specialist in the Maintenance and Ground Operations Systems Group of the Customer Services Organization. Specifically, he represented Boeing to airlines on the ETOPS (extended-range twin-engine operations) program, participated in airline maintenance evaluations, and helped airlines develop reliability programs. Since his retirement from Boeing in 2000, he has taught aviation maintenance management courses at Embry-Riddle Aeronautical University in Daytona Beach, Florida. He developed this book because no suitable text for courses such as his existed.

### Users Review

#### From reader reviews:

##### **Donna Kerns:**

Here thing why this specific Aviation Maintenance Management are different and reliable to be yours. First of all reading through a book is good however it depends in the content from it which is the content is as scrumptious as food or not. Aviation Maintenance Management giving you information deeper including different ways, you can find any book out there but there is no guide that similar with Aviation Maintenance Management. It gives you thrill examining journey, its open up your own eyes about the thing this happened in the world which is probably can be happened around you. You can actually bring everywhere like in playground, café, or even in your approach home by train. When you are having difficulties in bringing the imprinted book maybe the form of Aviation Maintenance Management in e-book can be your option.

##### **John Pasko:**

Your reading 6th sense will not betray you actually, why because this Aviation Maintenance Management

reserve written by well-known writer who really knows well how to make book that may be understand by anyone who have read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still doubt Aviation Maintenance Management as good book not only by the cover but also through the content. This is one guide that can break don't ascertain book by its deal with, so do you still needing an additional sixth sense to pick this!? Oh come on your reading through sixth sense already alerted you so why you have to listening to a different sixth sense.

### **Cherry Simard:**

This Aviation Maintenance Management is great guide for you because the content that is certainly full of information for you who also always deal with world and get to make decision every minute. This particular book reveal it data accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with lovely delivering sentences. Having Aviation Maintenance Management in your hand like keeping the world in your arm, details in it is not ridiculous 1. We can say that no reserve that offer you world throughout ten or fifteen moment right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. hectic do you still doubt in which?

### **Stephanie Hopkins:**

Don't be worry when you are afraid that this book will filled the space in your house, you can have it in e-book way, more simple and reachable. This particular Aviation Maintenance Management can give you a lot of buddies because by you taking a look at this one book you have thing that they don't and make anyone more like an interesting person. This specific book can be one of a step for you to get success. This reserve offer you information that probably your friend doesn't learn, by knowing more than some other make you to be great people. So , why hesitate? Let us have Aviation Maintenance Management.
