Board Stiff: Preparation for Anesthesia Orals: Expert Consult - Online and Print, 3e By Christopher Gallagher MD

Think the anesthesia oral boards are no laughing matter? Then you haven't read *Board Stiff Three*. The new edition of this popular anesthesia review book is written in the same winning style that was the hallmark of *Board Stiff Too*. Dr. Gallagher's signature humor and engaging writing style make this terrific prep book a fun read while still delivering all the most important things you need to know for the boards. In addition to a thorough content review, the new edition also features an extensive section with self-assessment questions. It also includes a bonus DVD with simulated board scenarios that will further help you prepare for the boards.

- Provides the ideal study guide for the anesthesia oral board exams.
- Incorporates a unique and humorous approach to make braving the oral exams as enjoyable as possible.
- Uses the same format as the real exams: clinical scenes are presented, followed by preoperative, intraoperative, and postoperative questions.
- Includes a bonus DVD with simulated board scenarios.

Editorial Review

Review

"... [an] informative, no nonsense book...filled with useful, practical information on how to prepare effectively for oral exams... As a former examinee, I could have used such a book. As a current Royal College examiner, I can say that this book is true to the spirit in which oral exams are performed."?Canadian Journal of Anesthesia, review of previous edition
