**Business Statistics, Student Value Edition (2nd Edition)** By Robert A. Donnelly

This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Robert Donnelly's **Business Statistics** eliminates the intimidation factor from learning statistics for business. The **Second Edition** maintains Donnelly's successful straightforward, conversational approach that explains each concept and why it is important directly to students. Through an abundance of comments that clarify specific topics, a variety of applications, and Your Turn practice throughout each chapter, students see business statistics in action—both in the classroom and in the world around them.

This package consists of  
**0321930673/9780321930675 - Business Statistics, Books a la Carte Edition, 2/e**
