Editorial Review

Review

The Complete Jewish Bible, challenges both Jews and Christians to see that the whole Bible is Jewish, the B'rit Hadashah as well as the Tanakh. Jews are challenged by the implication that without it the Tanakh is an incomplete Bible. Christians are challenged with the fact that they are joined to the Jewish people through faith in the Jewish Messiah, Yeshua (Jesus) -- so that because Christianity can be rightly understood only from a Jewish perspective, anti-Semitism is condemned absolutely and forever. In short, the Complete Jewish Bible restores the Jewish unity of the Bible. Also for the first time the information needed for the synagogue readings from the Torah and the Prophets is completely integrated with similar use of the B'rit Hadashah.

From the Publisher

The Complete Jewish Bible shows that the Word of God, from Genesis to Revelation, is a unified Jewish book, meant for everyone--Jew and non-Jew alike.

About the Author

David H. Stern, born in Los Angeles in 1935, is the great-grandson of two of the city's first twenty Jews. He earned a Ph.D. in economics at Princeton University and was a professor at UCLA. In 1972 he came to faith in Yeshua the Messiah. He then received a Master of Divinity degree at Fuller Theological Seminary, did graduate work at the University of Judaism, and was active in the Messianic Jewish movement. In 1979 the Stern family made aliyah (immigrated to Israel); they now live in Jerusalem. Dr. Stern authored the "Messianic Jewish Manifesto". His highly acclaimed English translation, the "Jewish New Testament," restores the New Testament's Jewishness. His "Jewish New Testament Commentary" discusses the many Jewish issues found in the New Testament. His fresh translation, the "Complete Jewish Bible", expresses the unity of the Tanakh ("Old Testament") and the B'rit Hadashah ("New Testament"). This outstanding, scholarly work offers Bible readers a thorough, biblically Jewish version of God's word.

Users Review

From reader reviews:

Shirley Arrington:

What do you consider book? It is just for students since they are still students or it for all people in the world, what the best subject for that? Merely you can be answered for that query above.
