**Faith of the Fallen (Sword of Truth Book 6) By Terry Goodkind**

Terry Goodkind author of the enormously popular Sword of Truth novels, has forged perhaps his best novel yet, pitting Richard Rahl and Kahlan Amnell against threats to the freedom of the world that will take them to opposite ends of the world to defeat the forces of chaos and anarchy.

Emperor Jagang is rising once again in the Old World and Richard must face him, on his own turf. Richard heads into the Old World with Cara, the Mord-Sith, while his beloved Kahlan remains behind. Unwilling to heed an ancient prophecy, Kahlan raises an army and goes into battle against forces threatening armed insurrection in the Midlands.

Separated and fighting for their lives, Richard and Kahlan will be tested to the utmost.

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### Editorial Review

#### Amazon.com Review

Fantasy series fans may argue over the relative merits of Terry Goodkind's *Sword of Truth*, George R.R. Martin's *Song of Ice and Fire*, and Robert Jordan's *Wheel of Time*, but in a world of middle books that go nowhere and endless waits between episodes, Goodkind is certainly still serving up some of the best fantasy on today's menu.

The Seeker of Truth and his Mother Confessor sweetie are both looking a little worse for the wear after their chime-hunt in *Soul of the Fire*. To top that off, Lord Rahl finds himself a reluctant prophet with the vision that their cause, the fight for freedom against the Imperial Order, is essentially sunk. (Chalk that up to part of the Wizard's First Rule: people really are stupid.) The two lovers soon find themselves separated, Richard off to the Old World thanks to treacherous Sister of the Dark Nicci, and Kahlan left behind, forced to betray Richard and his prophecy by raising an army to fend off the approaching armies of Emperor Jagang.

Whether it's fair or not, Goodkind will likely get beaten up a bit for visiting the trough once too often, à la Jordan. But fear not: *Faith of the Fallen* does progress at a good clip, and its conclusion--while by no means a final payout--should satisfy. --*Paul Hughes*

#### From Publishers Weekly

Sequel to *Soul of the Fire* in Goodkind's popular *Sword of Truth* series, this extended barrage of sword-swinging fantasy pits the New World's Seeker of Truth, Richard Rahl, and his wife, Mother Confessor Kahlen Amnell, against the lethal totalitarian forces of the Imperial Order under Jagang "the Just" and his gorgeous masochistic minion Nicci, aka Death's Mistress, a dreaded Sister of the Dark. After Richard helps a desperately wounded Kahlen heal in a mountain hideaway guarded by their ill-tempered blonde bombshell bodyguard, Cara, Nicci ensorcelts Kahlen and forces Richard to abandon her for inhuman bondage in the Order-dominated Old World. Kahlen defies Richard's prophecy that arms alone will never defeat the Order. She takes command of the D'Haran army, hopelessly outnumbered against Jagang's black-magicked hordes who are invading the New World. Untangling all this gives Goodkind an ample canvas for enough disemboweling, spit roasting and miscellaneous mutilating of men, women and children to out-Sade the infamous marquis. His fansAand they are legionAwill revel in vicarious berserker battle scenes and agonize deliciously as Richard, reduced to slavery by Nicci, toils to establish a bastion of capitalism in the cold gray heart of the Stalinesque Old World. All the ponderous sound and fury of Goodkind's attack on socialist-style do-gooders who are destroying the world, however, founders in a welter of improbable coincidences, heavy-handed humor and a disconcerting dependence on misusing the verb "smirk." For sheer volume of its Technicolor bloodbaths and its bathetic propagandistic bombast, this installment of Goodkind's fantasy saga makes an indelible impact; anyone who yearns for Goodkind is going to be in high clover. \$250,000 ad/promo. #### From Booklist

In the sixth *Sword of Truth* yarn, Richard has nursed Kahlan back to health after her ordeal in *Soul of the Fire* (1999) and taught her to be a highly skilled swordswoman. He is resolved, however, to withdraw from the battle to keep the Imperial Order out of the Midlands--that is, until he is kidnapped by the Dark Sister Nicci, the emperor's mistress. With a particularly vicious spell, in which any harm that befalls her also befalls Kahlan, Nicci binds Richard to her. Kahlan organizes a formidable army of resistance, anyway, and Richard makes a life for himself and Nicci under the Imperial Order, a regime that combines the vices of

right-wing evangelicals and Stalinist communism, unalloyed by any of either's few virtues. Skilled at wood carving, Richard creates a statue that catalyzes spiritual transformation in the emperor's subjects, replacing their despair with hope and their feeling of worthlessness with confidence. Consequently, they rise up en masse, while Kahlan holds the imperial army in the field. Nicci changes sides, leading to a conclusion that would wrap the saga up, except that the emperor is still alive. A plot summary doesn't do justice to Goodkind's well-constructed book, in which he develops marginally plausible plot elements into a credible story and says something serious about the abuse of guilt and selflessness to motivate social behavior. Goodkind is moving up in the ranks of the followers of Tolkien, Eddings, and Jordan. *Roland Green*
