ENGLISH DESCRIPTION

With English in 100 days you will be able to learn the 1000 essential phrases and words of the English language with a commitment of only a few minutes per day. The 30 units of the course will guide you through situations that we all must face and they will give you the tools to not sweat any situation.

The professors who took part in elaborating this course are specialists in the teaching of the English language and know that the most important aspect of learning a new language is to be able to communicate in a great variety of daily

situations. Some of which we emphasize are: immigration procedures when entering the United States, how to make new friends, how to order food in a restaurant, how to search for work and to prepare for a job interview, how to go to the supermarket and the post office and many others.
