Literacy Development in the Early Years: Helping Children Read and Write (7th Edition) By Lesley Mandel Morrow

Literacy Development in the Early Years, by renowned author Lesley Mandel Morrow, is an integrated approach to language arts that gives pre-service and in-service teachers a wealth of valuable information for making children active participants in the process of literacy development. The many ideas are presented through both theoretical and research-based rationales, plus extensive practical applications—teacher and child dialogues; vignettes; lessons; and model interactions between teachers, children, and parents. A comprehensive, balanced approach to literacy teaching and learning, the book provides a wealth of information on how children learn, coupled with the literacy skills and strategies teachers need to make it all happen.

Editorial Review

From the Back Cover

With its wealth of valuable information for making children active participants in the process of literacy development, this integrated language arts approach brings early childhood perspectives on how children learn together with the literacy skills and strategies teachers need to make it all happen. Here, renowned author Leslie Morrow presents both theoretical and research-based rationales, plus extensive practical applications to show how literacy development is an active process between children and adults—and helps pre- and in-service teachers grasp the scope and complexity of early literacy development. Comprehensive and balanced, the book covers problem solving, comprehension, and phonics and phonemic awareness, giving readers a complete picture of emergent literacy.

In this new seventh edition . . .

- **The use of the National Core Standards in Language Arts/Literacy** is introduced.
- **Response to Intervention** is thoroughly explained and illustrated.
