Summer in the Invisible City By Juliana Romano

Perfect for fans of Jenny Han and Sarah Dessen, a sparkling coming-of-age story about self-discovery, first love, and the true meaning of family

Seventeen-year-old Sadie Bell has this summer all figured out: She's going to befriend the cool girls at her school. She's going to bond with her absentee father, a famous artist, and impress him with her photography skills. And she's finally going to get over Noah, the swoony older guy who was her very first mistake.

Sadie wasn't counting on meeting Sam, a funny and free-thinking boy who makes her question all of her goals. But even after a summer of talking, touching, and sharing secrets, Sam says he just wants to be friends. And when those Sadie cares about most hurt her, Sam's friendship may not be enough. Sadie can see the world through her camera, but can she see the people who have loved and supported her all along?

Set against a glamorous New York City backdrop, this coming-of-age romance is a gorgeous summer read—one whose characters will stay with you long into the fall.

Editorial Review

From School Library Journal

Gr 9 Up—It's Sadie's last summer at New York School of Arts, and she's spending it in a darkroom. She has been devoted to photography ever since her famous father, Allan Ball, gave her his old camera. Sadie knows her notoriously absent dad mostly through Google Alerts. Her search for paternal validation seeps into all her other relationships, and her life has felt upended ever since she lost her virginity. What Sadie thought was an intense connection with cool senior Noah was merely a fling du jour for him. A beach party invite from the popular Izzy raises the opportunity of seeing Noah again. Instead Sadie meets Sam, an outdoors enthusiast from New Hampshire. Sam wants to be just friends, and Sadie isn't sure she is ready for anything serious, but when she talks to Sam, she finds herself telling him things she has never told anyone before. As her summer draws to a close, Sadie learns to distinguish between false and real friends, discovers the inadequacies of parents, and starts to accept life as it is. Examining life through a camera lens, Sadie begins to understand that appearances can be deceiving. Her misplaced search for fatherly love and acceptance adds an extra level of depth and introspection to the author's sophomore novel. The story is sectioned by months; the counting down of time heightens the tension and captures the urgency of a fading summer. VERDICT A recommended purchase for fans of teen romance.—Jocelyn Charpentier, Brooklyn Public Library

Review

Praise for *Summer in the Invisible City*:

"Romano's novel wanders languorously through Sadie's summer, treating readers to the same **lushly detailed writing** that distinguished her previous book... readers will enjoy meandering through the joys and disappointments of this quiet, reflective teen."—*Publishers Weekly*

"**A lovely summer romance** with plenty to say about art, friendship, and love."—*Booklist*

"Her misplaced search for fatherly love and acceptance adds an extra level of depth and introspection to the author's sophomore novel...**A recommended purchase for fans of teen romance.**"—*School Library Journal*

"An engaging coming-of-age tale."—*Kirkus Reviews*

"Full of wonderful details of the daily life of an interesting central female character...as she navigates through a tough summer of learning about herself, what she wants for the future, and how her past defines her path forward."—*VOYA*

Praise for *First There Was Forever*:

* "Fans of **Sarah Dessen** and **Jenny Han** won't want to miss this sensitive exploration of romantic and platonic relationships in flux, and young women coming into their own."—*Publishers Weekly*, starred review

"With descriptions that are rich, intimate, and a pure pleasure to read...[Romano] captures the awkwardness of teenagers grappling with feelings for which they have no language yet. In Nate and Lima, young readers will find a relationship that is both deliciously dreamy and achingly real."—*The Los Angeles Review of Books*

“An emotionally rich coming-of-age love story.”—*Kirkus Reviews*

“Romano succeeds in capturing the awkwardness of first romantic encounters and in navigating the growing gray areas in life that emerge with age. Hand this one to fans of **Jenny Han** and **Morgan Matson**.”—*Booklist*

“The author weaves her story together with expressive, figurative language...Recommend this novel to older teens who are romance fans.”—*VOYA*

About the Author

Juliana was born in New York, New York and grew up in Santa Monica, California. She received a B.A. from Wesleyan University and an M.F.A. in Painting from U.C.L.A. Users Review

From reader reviews:

Verna Smith:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their sparetime with their family, or all their friends. Usually they undertaking activity like watching television, about to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Can be reading a book could be option to fill your free time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to test look for book, may be the book untitled Summer in the Invisible City can be great book to read. May be it might be best activity to you.

Thomas Britton:

Don't be worry for anyone who is afraid that this book will certainly filled the space in your house, you will get it in e-book method, more simple and reachable. That Summer in the Invisible City can give you a lot of good friends because by you investigating this one book you have thing that they don't and make you actually more like an interesting person. That book can be one of a step for you to get success. This guide offer you information that possibly your friend doesn't recognize, by knowing more than other make you to be great individuals. So , why hesitate? Let me have Summer in the Invisible City.

Joseph Owens:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many issue for the book? But just about any people feel that they enjoy for reading. Some people likes studying, not only science book and also novel and Summer in the Invisible City as well as others sources were given knowledge for you. After you know how the truly amazing a book, you feel want to read more and more. Science e-book was created for teacher or students especially. Those publications are

helping them to include their knowledge. In additional case, beside science book, any other book likes Summer in the Invisible City to make your spare time more colorful. Many types of book like this one.

Jack Caldwell:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Summer in the Invisible City can make you feel more interested to read.
