**The American political tradition and the men who made it** By Richard Hofstadter

*The American Political Tradition* is one of the most influential and widely read historical volumes of our time. First published in 1948, its elegance, passion, and iconoclastic erudition laid the groundwork for a totally new understanding of the American past. By writing a "kind of intellectual history of the assumptions behind American politics," Richard Hofstadter changed the way Americans understand the relationship between power and ideas in their national experience. Like only a handful of American historians before him—Frederick Jackson Turner and Charles A. Beard are examples—Hofstadter was able to articulate, in a single work, a historical vision that inspired and shaped an entire generation.

### **Editorial Review**

From the Inside Flap

A revised edition of the classic study of American politics from the Founding Fathers to FDR.

About the Author

Born in 1916, Richard Hofstadter was one of the leading American historians and public intellectuals of the twentieth century. His works include *The Age of Reform*, *Anti-intellectualism in American Life*, *Social Darwinism in American Thought, 1860-1915*, *The American Political Tradition*, and others. He died in 1970.

### **Users Review**

**From reader reviews:**

**Arlen Bullock:**

Information is provisions for those to get better life, information currently can get by anyone in everywhere. The information can be a information or any news even restricted. What people must be consider whenever those information which is in the former life are difficult to be find than now's taking seriously which one is suitable to believe or which one often the resource are convinced. If you obtain the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take The American political tradition and the men who made it as your daily resource information.

**Thomas Llanos:**

Your reading 6th sense will not betray you actually, why because this The American political tradition and the men who made it reserve written by well-known writer who knows well how to make book which can be understand by anyone who have read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your personal hunger then you still skepticism The American political tradition and the men who made it as good book not only by the cover but also by the content. This is one reserve that can break don't judge book by its cover, so do you still needing a different sixth sense to pick this specific!?! Oh come on your examining sixth sense already alerted you so why you have to listening to yet another sixth sense.

**Lucy Fletcher:**

This The American political tradition and the men who made it is great guide for you because the content which is full of information for you who else always deal with world and get to make decision every minute. This specific book reveal it facts accurately using great manage word or we can point out no rambling sentences within it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but tough core information with splendid delivering sentences. Having The American political tradition and the men who made it in your hand like obtaining the world in your arm,

details in it is not ridiculous one particular. We can say that no e-book that offer you world with ten or fifteen minute right but this reserve already do that. So , this is certainly good reading book. Hey Mr. and Mrs. stressful do you still doubt this?

**Tammy Dorris:**

As we know that book is very important thing to add our understanding for everything. By a book we can know everything we really wish for. A book is a list of written, printed, illustrated or even blank sheet. Every year has been exactly added. This e-book The American political tradition and the men who made it was filled concerning science. Spend your time to add your knowledge about your research competence. Some people has diverse feel when they reading a book. If you know how big benefit of a book, you can truly feel enjoy to read a guide. In the modern era like right now, many ways to get book which you wanted.
