Editorial Review

Review

I love her books Neil Gaiman My all-time favourite classic children's author Jacqueline Wilson Edith Nesbit is endlessly surprising and inventive ... She is also simply the funniest writer we have ever had, while being the one who could most easily and sweetly break your heart with a phrase. Just try saying "Daddy oh my Daddy" without catching your breath Frank Cottrell-Boyce

About the Author

Edith Nesbit was born in 1858 into a middle-class family of declining fortunes. After surviving a tough and nomadic childhood she met her husband, Hubert Bland, in 1877 and married him three years later whilst pregnant with their first child. Nesbit began writing in the 1880s when Bland's business failed, forcing her to support their growing family. Considered one of the first modern writers for children, Nesbit's novels included *The Story of The Treasure Seekers* (1899), *Five Children and It* (1902) and *The Railway Children* (1906). An ardent socialist, Nesbit was one of the founding members of the Fabian Society. She died in Kent in 1924.

Users Review

From reader reviews:

Ana Steadman:
