Editorial Review

From [AudioFile](#)

Wyatt Earp, his brothers and his enemies have been endlessly fascinating to Americans for more than a hundred years. Stuart N. Lake, having interviewed Earp in 1928, capably describes Earp's life and the milieu of the Western frontier in which he lived. Reader and composer Michael Martin Murphey brings a remarkable talent for characterization to the audiobook. With only slight changes in tone, accent and timbre, Murphey brings each of the prominent and passing characters to unique life. One would swear, for example, that when Earp speaks, another actor has entered the booth. He also composed the thoughtful background music found herein. D.R.W. (c) AudioFile, Portland, Maine

Users Review

From reader reviews:

Edward Rideout:

Why don't make it to become your habit? Right now, try to prepare your time to do the important action, like looking for your favorite e-book and reading a book.
