**Kenobi: Star Wars Legends** By John Jackson Miller

**NEW YORK TIMES BESTSELLER**

*The Republic has fallen.  
Sith Lords rule the galaxy.  
Jedi Master Obi-Wan Kenobi has lost everything . . .  
Everything but hope.*

Tatooine—a harsh desert world where farmers toil in the heat of two suns while trying to protect themselves and their loved ones from the marauding Tusken Raiders. A backwater planet on the edge of civilized space. And an unlikely place to find a Jedi Master in hiding, or an orphaned infant boy on whose tiny shoulders rests the future of a galaxy.

Known to locals only as “Ben,” the bearded and robed offworlder is an enigmatic stranger who keeps to himself, shares nothing of his past, and goes to great pains to remain an outsider. But as tensions escalate between the farmers and a tribe of Sand People led by a ruthless war chief, Ben finds himself drawn into the fight, endangering the very mission that brought him to Tatooine.

Ben—Jedi Master Obi-Wan Kenobi, hero of the Clone Wars, traitor to the Empire, and protector of the galaxy’s last hope—can no more turn his back on evil than he can reject his Jedi training. And when blood is unjustly spilled, innocent lives threatened, and a ruthless opponent unmasked, Ben has no choice but to call on the wisdom of the Jedi—and the formidable power of the Force—in his never-ending fight for justice.

### Praise for *Kenobi: Star Wars*

“Buy this book right now. . . . [This novel] manages to explore the depths of Ben Kenobi but still maintains the aura of mystery around his character.”—**Tosche Station**

“Addictive, engrossing . . . wildly entertaining . . . There are plenty of twists, turns, and surprises. . . . John Jackson Miller creates a story that reaches new heights.”—**Roqoo Depot**

“Brilliant . . . This is *Star Wars* fiction at its absolute best.”—***Examiner***

“Enthralling . . . almost impossible to put down.”—***Eucantina***

*From the Hardcover edition.*

### Editorial Review

#### From *Booklist*

This outstanding Star Wars novel arose from the author's concept of a Star Wars comic series using the elements of a classic western. So we have a not-too-habitable frontier setting (Tatooine); a wealthy rancher with a hidden agenda (marrying a virtuous widow, among other things); the children of the widow and those of the rancher (mostly with more guts than sense); a bandit chieftain (Jabba the Hutt); marauding Indians (the Tuskan Raiders, very fully brought to life); the technology of farming in an environment that makes the Mojave Desert seem lush; and a host of life-forms ranging from krayt dragons to the pit-dwelling sarlaccs. Oh, and there is a drifter named Ben who wanders into town in the middle of all the conflicts and befriends the widow, though not as much as she would have liked. Deserves very high ranking among Star Wars fiction. --Roland Green

#### From the Author

*Star Wars: Kenobi* is a sweeping story that's part epic western, part high-stakes drama, part romance -- but it's all Star Wars, taking place in the early days of Obi-Wan's exile to Tatooine. The greatest hero in the galaxy faces his toughest challenge yet: He must stop being Obi-Wan -- and become Crazy Old Ben.

We've seen the Sith nursing their hatreds, patiently plotting their revenge; now we see a Jedi hero having to prepare for a long vigil, protecting the new hope of the galaxy. Tatooine is remote, which should suit the needs of an outsider wanting to remain anonymous. But it's also a close-knit community, and staying unnoticed isn't always easy when one has the public-spirited instincts of a Jedi!

A project I've been developing for years, *Kenobi* is in keeping with one of the themes I focused on in my *Knights of the Old Republic*, *Knight Errant*, and *Lost Tribe of the Sith* books: What does it mean to be a Jedi alone? *Kenobi* asks that question, and I'm excited that Random House has helped bring it to readers.

### Users Review

#### From reader reviews:

**Helen Johnson:**

The book Kenobi: Star Wars Legends make one feel enjoy for your spare time. You can utilize to make your capable considerably more increase. Book can be your best friend when you getting stress or having big problem using your subject.
