### Kim Kardashian By Sean Smith

The definitive biography of the world's number-one reality star, Kim Kardashian West—the savvy entrepreneur and fashion forward woman who has defined fame for today's generation—from the UK's leading celebrity biographer.

A thoroughly modern woman, Kim Kardashian West, the daughter of headline-making lawyer Robert Kardashian, grew up like a princess in a Beverley Hills mansion. As a young girl, Kim's ambition was to appear on *The Real World*, the groundbreaking hit series. But reality proved even bigger than her dreams, when just a few years later she became the star of her own smash show, *Keeping Up With the Kardashians*.

While *Keeping Up with the Kardashians* took us into Kim's privileged world and made her a household name, the details of her life story—murder, elopement, domestic violence, a sex tape, a quickie divorce, religious worship, and unbelievably glamorous designer fashions—played out like an X-rated version of the 1980s soap opera *Dynasty*. But Kim's story has only just begun. Married for a second time—to one of the biggest stars on the planet, Kanye West—she has begun her own dynasty with the birth of daughter, North, and another baby due in November 2015.

Filled with delicious, painstakingly researched, eye-popping detail, *KIM* uncovers what it took for Kim to rise to the top—and how she intends to stay there. Sean Smith offers a multidimensional portrait of this remarkable woman, exploring her childhood, her family, her turbulent love life, and her glitzily multi-millionaire lifestyle. From her fabulous fashion-sense, to her world-famous physique, to her devotion to her family, including her relationship with her stepparent, Bruce Jenner and his transition to Caitlyn Jenner, this sensational, addictive biography tells the unvarnished truth about the undisputed Queen of Celebrity—the real story of Kim Kardashian.

### Editorial Review

From the Back Cover

#### **Kim Kardashian is a phenomenon.**

Despite her privileged upbringing in Beverly Hills, ten years ago Kim was just a modest stylist to stars like Paris Hilton and Brandy, making extra money selling her clothes on eBay. But a combination of hard work, an astute business brain, a hit TV series and a body to die for turned her life around.

In this revealing unauthorized biography of Kim, bestselling author Sean Smith discovers a sweet, kind, and smart young woman whose life story reads like an X-rated version of *Dynasty* . . . an infamous murder case, elopement, a notorious sex tape, a seventy-two-day marriage, gender transition—and impossibly glamorous designer dresses.

Finding love with one of the biggest stars on the planet, Kanye West, she has begun her own dynasty with her daughter, North, and the approaching birth of her son. Now, as Kim Kardashian West, she is the most photographed and talked-about celebrity of the past decade. Her following on Instagram alone exceeds 42 million, over 4 million more than the population of her home state of California.

*Kim Kardashian* follows her extraordinary journey—from her childhood and amazing family to her turbulent love life and multi-million-dollar lifestyle. It is the ultimate insight into an icon of our times.

### About the Author

Sean Smith is the UK's leading celebrity biographer and the author of the number one bestseller *Cheryl*, the definitive biography of Cheryl Fernandez-Versini, as well as bestselling books about Tom Jones, Robbie Williams, and Kate Middleton.

His books about the most famous people of our time have been translated throughout the world. His subjects include Gary Barlow, Kylie Minogue, Justin Timberlake, Britney Spears, Victoria Beckham, Jennifer Aniston, Alesha Dixon, and J. K. Rowling. Described by the *Independent* (UK) as a "fearless chronicler," he specializes in meticulous research, going "on the road" to find the real person behind the star image.
