### **The Almond Blossom Appreciation Society: From the author of Driving Over Lemons (Lemons Trilogy)** By Chris Stewart

THE ALMOND BLOSSOM APPRECIATION SOCIETY finds Chris and his family still living on their farm, El Valero, and with its easy 'Sun-Lit' charm and funny, evocative anecdotes, it will draw in new and old readers alike. You will find yourself laughing out loud as Chris is instructed by his daughter on local teenage mores; bluffs his way in art history to millionaire Bostonians; is rescued off a snowy peak by the Guardia Civil; and joins an Almond Blossom Appreciation Society. You'll cringe with Chris as he tries his hand at office work in an immigrants' advice centre in Granada, spurred into action by the arrival of four destitute young Moroccans at El Valero. And you'll never see olive oil in quite the same way again... In this sequel to 'Lemons' and 'Parrot', Chris Stewart's optimism and zest for life is as infectious as ever. Chris Stewart prepared for life on a mountain farm in Spain with jobs of doubtful relevance. After leaving Genesis (he drummed on the first album), he joined a circus, learnt how to shear sheep, crewed a yacht in Greece, went to China for the Rough Guides, gained a pilot's license in Los Angeles, and completed a course in French cooking. Despite the extraordinary success of his books, Chris, Ana and their daughter Chloe continue to live on their farm, with their numerous dogs, cats, chickens, sheep and misanthropic parrot.

## **Editorial Review**

### **Review**

Wonderful - funny, affectionate, no hint of patronage... Tuck this book into your holiday luggage and dream.  
Daily Mail

### **About the Author**

Chris Stewart shot to fame with *Driving Over Lemons* (9780956003805) - Sort Of Books' launch title in 1999. Funny, insightful and real, the book told the story of how he bought a peasant farm on the wrong side of the river, with its previous owner still resident. It became an international bestseller and with its sequels - *A Parrot in the Pepper Tree* and *The Almond Blossom Appreciation Society* - it has sold more than a million copies in the UK alone. Chris prepared for life on his Spanish mountain farm with jobs of doubtful relevance. He was the original drummer in Genesis (he played on the first album), then joined a circus, learnt how to shear sheep, went to China to write the *Rough Guide*, gained a pilot's license in Los Angeles, and completed a course in French cooking. *Three Ways to Capsize a Boat* fills in his lost years as a yacht skipper in the Greek islands. Despite the extraordinary success of his books, Chris, his wife Ana, and their daughter Chloe, continue to live on their farm, with their numerous dogs, cats, chickens, sheep and misanthropic parrot.

## **Users Review**

### **From reader reviews:**

#### **Jo Lee:**

As people who live in the particular modest era should be up-date about what going on or details even knowledge to make these people keep up with the era that is always change and move ahead.
