## The Russian Revolution, 1917: A Personal Record By N.N. Sukhanov

Author of the only full-length eyewitness account of the 1917 Revolution, Sukhanov was a key figure in the first revolutionary Government. His seven-volume book, first published in 1922, was suppressed under Stalin. This reissue of the abridged version is, as the editor's preface points out, one of the few things written about this most dramatic and momentous event, which actually has the smell of life, and gives us a feeling for the personalities, the emotions, and the play of ideas of the whole revolutionary period."

Originally published in 1984.

The **Princeton Legacy Library** uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
