**The Hero's Guide to Being an Outlaw** By Christopher Healy

The League of Princes returns in the hilariously epic conclusion to Christopher Healy's hit series, which *Kirkus Reviews* called "part screwball comedy, part sly wit, and all fun" in a starred review!

Prince Liam. Prince Frederic. Prince Duncan. Prince Gustav. You think you know those guys pretty well by now, don't you? Well, think again. Posters plastered across the thirteen kingdoms are saying that Briar Rose has been murdered—and the four Princes Charming are the prime suspects. Now they're on the run in a desperate attempt to clear their names. Along the way, however, they discover that Briar's murder is just one part of a nefarious plot to take control of all thirteen kingdoms—a plot that will lead to the doorstep of an eerily familiar fortress for a final showdown with an eerily familiar enemy.

### Editorial Review

From School Library Journal

Gr 4–6—The third installment in this series finds the League of Princes on the run, falsely accused of murdering Briar Rose. Prince Frederic, Prince Gustav, Prince Liam, and Prince Duncan (the jokester of the group), along with Cinderella, Snow White, Rapunzel, and Princess Lila devise a plan to clear their names so that they can stop the evil Lord Rundark from taking over the 13 Kingdoms. Midway through the story, the princesses form their own band of do-gooders. Chaos ensues as they and the princes spend a good portion of the narrative tripping one another up in the race to prove Briar Rose is still alive. Countless battles take place—one in each Kingdom. Enemies include giant mongoose, pirates, and bounty hunters. Surprises abound with the reappearance of past foes, including the evil witch, Zaubera. Powerful Magic Orbs are Lord Rundark's secret weapons of choice. There's really something for everyone here, although sometimes it feels as if there is just too much going on. Readers new to the series will probably find the going a bit tough at times trying to keep track of who's who. Nevertheless, Healy has a good understanding of middle-grade humor and his audience in general. With its gender-bending stereotypes and oodles of action, this addition will be welcomed by fans of the series.—Mary Beth Rassulo, Ridgefield Library, CT

Review

“Part screwball comedy, part sly wit and all fun.” (Kirkus Reviews (starred review))

From the Back Cover

Giant mongooses will be battled.

Brain-melting beetles will be run from.

Dozens of feathers will be plucked.

(And maybe a kingdom will actually be saved.)

### Users Review

**From reader reviews:**

**Latosha Page:**

What do you concerning book? It is not important to you? Or just adding material when you want something to explain what your own problem? How about your time? Or are you busy individual? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every individual has many questions above. They need to answer that question mainly because just their can do which. It said that about book. Book is familiar on every person. Yes, it is correct.
