### **Editorial Review**

#### **Review**

Jerome Clark is the former editor of the UFO magazine Fate and former vice-president and current board member of the J. Allen Hyneck Center for UFO Studies as well as the editor of their quarterly publication The International UFO Reporter. He has published several books and a three-volume UFO Encyclopedia encompassing every conceivable aspect of UFOs possible. In short, Clark has spent the past four decades researching, analyzing and bringing to light anything remotely connected to what the world identifies as UFO's and extraterrestrial life. The UFO Book is actually an abridgment of the much larger, two volume work, The UFO Encyclopedia (2nd Edition) published in the fall of 1997. Clark makes it very clear in the introduction that, "Except in those instances where good reason exists to doubt an informant's sincerity, The UFO Book operates on the assumption that intellectual agnosticism...". True to his word, The UFO Book is clear, in-depth, cross-referenced and user friendly and goes to extremes to stand above any hint of opinion regarding the wealth of information contained in this book. The UFO Book includes a historical overview of UFO phenomenon, an overview of its terminology roots, and in-depth information regarding resources in print and other forms of media. Every subject, whether a discussion of a specific topic or a specific incident is organized alphabetically with painstakingly clear cross referencing throughout. The UFO Book is engrossing reading that can fill a few minutes, an hour, or more. It has the authoritative backbone that brings this incredibly diverse and far reaching subject to light in a meticulously objective manner. Clark has put into one volume an incredible amount of research that is a must read for anyone mildly curious about UFO's and extra- terrestrials. -- *From Independent Publisher*

### **Users Review**

#### **From reader reviews:**

##### **Kurt Chapman:**

Now a day those who Living in the era exactly where everything reachable by connect with the internet and the resources in it can be true or not call for people to be aware of each facts they get.
