Usually, you perceive the world by using your five senses: sight, taste, smell, touch, and hearing.

But there is a sixth sense, an inner eye that can open the gateway to subtler realms of existence. Developing this inner eye will enable you to view a previously invisible world of multiple dimensions, spiritual planes filled with light, and alternate realities of indescribable wonders. This eye of wisdom, knowledge, illumination, and intuition is aptly named the third eye.

Using the methods in Awaken Your Third Eye, you will learn how to develop supersensory perception, and how to use your third eye in your everyday life to receive guidance, healing, wisdom, inspiration, creativity, and spiritual awakening.
