Inda By Sherwood Smith

Acclaimed *Inda* series within Sherwood Smith's epic fantasy *Sartorias-deles* universe • Military fantasy woven with courtly politics, vast worldbuilding, and diverse characters

Indevan-Dal is the second son of the Prince and Princess of Choraed Elgaer, destined to become his elder brother Tanrid's Shield Arm—his military champion. Like all second sons, he is to be privately trained at home by Tanrid, the brother whose lands he will one day protect.

When the King's Voice comes to summon Inda to the Military Academy, he might well feel foreboding, or even fear—war is imminent—yet youthful Inda feels only excitement.

But there are things that Tanrid hasn't prepared him for, and Inda will soon learn that the greatest threats to his safety will not come from foreign enemies, but from supposed allies within his own country.

Editorial Review

Review

Praise for the Inda series:

“The complexity and depth and inventiveness that **mark a first-rate fantasy novel**.... This is the mark of a major work of fiction.... You owe it to yourself to read *Inda*.” —Orson Scott Card, *New York Times*-bestselling author of *Ender's Game*

“**Everything you want from a fantasy series**—an interesting, fully developed world with several languages, environments, and cultures, a complex but not confusing plotline with a number of unexpected twists, really well-written action scenes, and above all, characters whose lives you follow and whose fates you care about.” —Diana L. Paxson, bestselling author of *Sword of Avalon*

“Smith **deftly stage-manages the wide-ranging plots** with brisk pacing, spare yet complex characterizations, and a narrative that balances sweeping action and uneasy intimacy.” —*Publishers Weekly*

“Pirates and plotters fill this swashbuckling sequel to *Inda*.... It’s full of action, adventure, and **delightful larger-than-life characters**.” —*Locus*

“All of the characters spring to life.... Smith’s **rich details and imagery tie this story together**. Complex and compelling.” —*San Jose Mercury News*

“[The] **beautifully structured** *Inda* series [comes] to a resounding conclusion.” —*Strange Horizons*

“Smith should rank high on any list of military writers.... **A first-rate author boldly at play**.” —SF Signal

About the Author

Sherwood Smith started making books out of paper towels at age six. In between stories, she studied and traveled in Europe, got a Masters degree in history, and now lives in Southern California with her spouse, two kids, and two dogs. She’s worked in jobs ranging from counter work in a smoky harbor bar to the film industry. Writing books is what she loves best. She’s the author of the high fantasy *History of Sartorias-deles* series as well as the modern-day fantasy adventures of Kim Murray in *Coronets and Steel*. Learn more at www.sherwoodsmith.net.

Users Review

From reader reviews:

Rhonda Munoz:

Throughout other case, little individuals like to read book Inda. You can choose the best book if you appreciate reading a book. So long as we know about how is important a new book Inda. You can add know-how and of course you can around the world by a book. Absolutely right, due to the fact from book you can recognize everything! From your country until finally foreign or abroad you will end up known. About simple issue until wonderful thing you can know that. In this era, we are able to open a book or maybe searching by internet gadget. It is called e-book. You can utilize it when you feel bored stiff to go to the

library. Let's learn.

Florence Taylor:
