Review

A comprehensive, scholarly, and readable guide to (mostly) post-1990 Africa. Highly recommended. (Choice)

A superior textbook. *Inside African Politics* will appeal to undergraduates looking for an introduction to African politics, as well as to graduate students searching for broad theoretical discussions. (Ngonidzashe Munemo, Williams College)

A comprehensive tour d'horizon of African politics, as well as an incisive review of existing scholarship. *Inside African Politics* is destined to become a standard reference for teaching and research. (Michael Bratton, Michigan State University)
