## Introducing Slavoj Žižek: A Graphic Guide By Christopher Kul-Want

Dubbed "The Elvis of Philosophy," Slavoj Žižek is both a serious revolutionary and an absurdist prankster, published in academic journals and Abercrombie & Fitch catalogs. Besides his work on popular culture, Žižek is concerned with politics and ideology. *Introducing Slavoj Žižek* reveals a provocateur whose work on Lacanian psychoanalysis collides with Marxist philosophy—creating the world's hippest philosopher.

**Christopher Kul-Want** is course director of the MA in Fine Art at Byam Shaw School of Art, London.

**Piero** is an illustrator, artist, and graphic designer whose work has been exhibited in the Royal College of Art, London.
