**Learning to Curse: Essays in Early Modern Culture (Routledge Classics) (Volume 57)** By Stephen Greenblatt

Stephen Greenblatt argued in these celebrated essays that the art of the Renaissance could only be understood in the context of the society from which it sprang. His approach - 'New Historicism' - drew from history, anthropology, Marxist theory, post-structuralism, and psychoanalysis and in the process, blew apart the academic boundaries insulating literature from the world around it.

*Learning to Curse* charts the evolution of that approach and provides a vivid and compelling exploration of a complex and contradictory epoch.

## **Editorial Review**

Review

**'Greenblatt writes with modest elegance, is a superb scholar and researcher, and deserves his status as the first voice in Renaissance studies today.'** – *Virginia Quarterly Review*

About the Author

Stephen J. Greenblatt, the pioneer of the "new historicist" approach to literature, is currently John Cogan Professor of Humanities at Harvard University and the author of the recent bestselling life of Shakespeare, *Will in the World*.

## **Users Review**
