### **Not So Quiet ...: Stepdaughters of War** By Helen Zenna Smith

This is a rare, funny, bitter, feminist look at war, a novel in autobiographical guise. It is based on the life and WWI war diaries of Winnifred Young, written by Evadne Price as Helen Zenna Smith. The story describes a group of British upper class ambulance drivers in the front lines in France during World War One. As VAD (Voluntary Aid Detachment) workers, the women pay for their uniforms, then pay for the privilege of driving the wounded soldiers through shellfire in the freezing cold with no sleep and little to eat. Powerful book where the last few pages stay with you long after you put the book down.
