The Collector (Back Bay Books) By John Fowles

Hailed as the first modern psychological thriller, *The Collector* is the internationally bestselling novel that catapulted John Fowles into the front rank of contemporary novelists. This tale of obsessive love--the story of a lonely clerk who collects butterflies and of the beautiful young art student who is his ultimate quarry--remains unparalleled in its power to startle and mesmerize.

Editorial Review

From Library Journal

Fowles launched his career with *The Collector*, which was welcomed with great critical enthusiasm, including that of LJ's reviewer, who found it "a distinguished first novel" (LJ 8/63). *Mantissa*, on the other hand, was a departure from the author's more popular material and received only a marginal response (LJ 9/1/82).

Review

"... fine psychological thriller... enthralling... an evening of compelling nastiness." Daily Telegraph"

About the Author

John Fowles (1926-2005) was educated at Oxford and subsequently lectured in English at universities in Greece and the UK. The success of his first novel, *The Collector*, published in 1963, allowed him to devote all his time to writing. His books include the internationally acclaimed and bestselling novels *The Magus*, *The French Lieutenant's Woman*, and *Daniel Martin*. Fowles spent the last decades of his life on the southern coast of England in the small harbor town of Lyme Regis.

Users Review

From reader reviews:

Betty Adkins:

Why don't make it to become your habit? Right now, try to ready your time to do the important take action, like looking for your favorite guide and reading a e-book. Beside you can solve your short lived problem; you can add your knowledge by the e-book entitled *The Collector (Back Bay Books)*. Try to make book *The Collector (Back Bay Books)* as your good friend. It means that it can for being your friend when you feel alone and beside that of course make you smarter than before. Yeah, it is very fortuned in your case. The book makes you much more confidence because you can know every little thing by the book. So , let's make new experience as well as knowledge with this book.

Mike Yerkes:

Information is provisions for individuals to get better life, information currently can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider while those information which is in the former life are hard to be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you find the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take *The Collector (Back Bay Books)* as your daily resource information.

Lisa Shumaker:

The actual book The Collector (Back Bay Books) will bring one to the new experience of reading some sort of book. The author style to elucidate the idea is very unique. Should you try to find new book to study, this book very appropriate to you. The book The Collector (Back Bay Books) is much recommended to you to study. You can also get the e-book from official web site, so you can more readily to read the book.

Joshua Matthews:

This The Collector (Back Bay Books) is great book for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great arrange word or we can declare no rambling sentences within it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but difficult core information with attractive delivering sentences. Having The Collector (Back Bay Books) in your hand like keeping the world in your arm, facts in it is not ridiculous one. We can say that no publication that offer you world within ten or fifteen small right but this publication already do that. So , it is good reading book. Hey Mr. and Mrs. busy do you still doubt which?
