**Good God: The One We Want to Believe in but Are Afraid to Embrace** By Lucas Miles

**God is neither responsible for your pain, nor is He allowing it. In fact, He is against it and wants nothing more than to prevent it.**

Deep inside every person is a hope that God is good. Yet faced with personal hardship or the world's tragedies, it's easy to doubt God's character and to blame Him for our pain.

**Good God** unpacks our misguided concepts of God so that we can begin to see Him as he truly is -- pure, loving, and completely good. If you've wondered if God is testing you -- or perhaps worse, punishing you, you are not alone. Most of us want to believe that God is good, but we cannot find a way to harmonize God's goodness with the evil that exists in this world. **Good God** introduces the God that we all want to believe in but have been too afraid to embrace.

With the Bible as his guide, Lucas takes readers on a journey to uncover the lost and forgotten nature of the Creator of the Universe and discover a real relationship with God.

*Not only is God not dead, but Lucas's book shows us that he is even better than we previously thought!* -- **Kevin Sorbo**, actor, *God's Not Dead*

*This book is for anyone who has struggled with pain, disappointment, and tragedy, and it needs to be read by the most skeptical among us -- which I have to admit, is far too often you and me.* -- Phil Cooke, filmmaker, media consultant, and author of *One Big Thing*

*Lucas Miles's **Good God** will not just change the way you view God, but enable you to fall in love with a very good God.* -- **Jerry Grieser**, author, *God's House of Mirrors*
