### Learning from Strangers: The Art and Method of Qualitative Interview Studies By Robert S. Weiss

Drawing on Weiss's thirty years' experience interviewing and teaching others, Learning from Strangers is the definitive work on qualitative research interviewing. The author of many successful books, Dr. Weiss provides examples and running commentary on how each interaction either inhibits or promotes trust and alliance. Used as a reference, handbook, or text, this book is appropriate for novices and professionals.

### Editorial Review

#### Review

Arlene Kaplan Daniels Northwestern University I have nothing but unqualified praise for this work. The book will be a boon to instructors of qualitative methods and to workers in the field. It tells you what you really must know to do various qualitative interviews, why you need to do it and how to do it.

Lisa R. Peathie Professor, Department of Urban Planning and Studies, M.I.T This is a wonderful book. Robert Weiss brings the reader into the interviewing process by showing how to recognize what works and what does not in some real interviews, and by musing as he goes along on the uses, the risks, and the opportunities of interview-based research. The result is a how-to-do-it book that also constitutes a fascinating read.

#### About the Author

Dr. Robert S. Weiss is Director of the Work and Family Research Unit and Research Professor at the University of Massachusetts, Boston. He is the author of several books including *Staying the Course* (The Free Press, 1990).

### Users Review

#### From reader reviews:

#### Luis Gray:

People live in this new morning of lifestyle always attempt to and must have the time or they will get great deal of stress from both way of life and work. So , when we ask do people have spare time, we will say absolutely without a doubt. People is human not really a robot. Then we question again, what kind of activity are there when the spare time coming to an individual of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative inside spending your spare time, often the book you have read is definitely Learning from Strangers: The Art and Method of Qualitative Interview Studies.

#### Lupita Kirch:

Reading a book being new life style in this yr; every people loves to go through a book. When you read a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your study, you can read education books, but if you want to entertain yourself you can read a fiction books, this kind of us novel, comics, along with soon. The Learning from Strangers: The Art and Method of Qualitative Interview Studies will give you new experience in reading a book.

**Patricia Stroud:**

Is it a person who having spare time after that spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This Learning from Strangers: The Art and Method of Qualitative Interview Studies can be the answer, oh how comes? A book you know. You are and so out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

**Kathleen Jones:**

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Learning from Strangers: The Art and Method of Qualitative Interview Studies can make you experience more interested to read.
